

# Flying cross-border is possible

## Tips for a safe journey

**Pension scheme admin expertise** (at least 15-20 years) • **Technology** (preferably in-house) • **Market knowledge** (500+ client base suggested) • **Real cross-border experience** (such as RESAVER IORP and NATO DCPS) • **Compliance capability across EU** (better if highly consolidated) • **System security** (ISO27001 & PCI compliant).

### How to fly high Recipe:

- Interactive portals
- Apps
- E-learning
- Tutorials
- Life-cycling
- Pension projections
- Uploading tools
- Single admin platform
- Rules engine
- Central reporting
- Governance
- Data analytics
